Hi Molly,

In an effort to expedite things, I'm sending you a rough draft CERCLA Removal AOC that includes prepayment of oversight language starting with Paragraph 40. Please understand that this draft has not yet been reviewed by ORC or Superfund Management. So it's possible they may require certain changes. However, I thought it best to send the draft as is to get the ball rolling.

In the meantime, I'm waiting to hear back from the Superfund Program on the estimated oversight costs and prepayment amount (which is currently left blank on Paragraph 40). I'm also waiting to hear back from them on your proposed Statement of Work language.

Thanks,

Confidential settlement discussions

Ed,

I have not had a chance to review the attached with client. We will absolutely must do that before this can be considered a proposal. But, here's a mark-up of the 311 SOW to start our discussions about a SOW attached to a time critical CERCLA Order that would revoke the 311 Order..

Best,
Molly
